A Message from Chairman Archambault of Standing Rock Sioux Tribe:

Debra Lekanof of the Swinomish Tribe has taken the lead on the Public Relations Outreach Supporting Standing Rock Sioux Tribe.

Through the Public Relation Outreach Plan some of the tasks they hope to cover are as follows:

Coordinate, implement and track all media activities; Coordinate of growing coalitions that are involved in implementation of all strategies; Develop and refine message documents and other materials on a weekly and sometimes daily basis; Manage efforts to get additional support from cities around the country; Help Coordinate all efforts to grow number of celebrities, opinion leaders and tribal leaders from around the country and world; Support all efforts of upcoming events at the camp and in Washington D.C.

It is estimated that these efforts will cost \$50,000 for the month of November. There is hope that Tribes, Foundations and Individuals can help support this work by donating funding. As of November 8, funding was a bit short and they are still seeking funding sources.
