

YOU'RE INVITED TO WSU EXTENSION'S

Water Conservation Forum: Looking at the 2024 Drought & Beyond

Why are drought conditions so frequent here? Who is most at risk when river flows are low? How can we be more prepared for dry times in 2025? Come to this event to learn answers to all these questions and more!

DECEMBER 10TH 6:00PM - 7:30PM
SEQUIM CIVIC CENTER
152 W. CEDAR ST

Forum will feature local water professionals from WSU Extension Office, City of Sequim, Jamestown S'Klallam Tribe and more. Public Q&A will follow presentations.
