

Sun Day:

A Celebration of Renewable Energy

When: Sunday September 21, 2025, 12-4

Where: Port Angeles City Pier

Olympic Climate Action is bringing Sun Day to Port Angeles, joining events around the country in celebrating clean energy. A renewable energy expo will showcase consumer technologies, some of which qualify for rebates.

- ⚙️ **Electric Vehicle Expo:** Check out some of the EV models our local dealers offer.
- ⚙️ **Electric Bikes:** Compare electric bikes to make your riding easier.
- ⚙️ **Home and Garden Tools:** Tired of stubborn starter cords and the noise and fumes of gas-powered mowers and trimmers? Check out the range of battery-powered home and yard tools local vendors offer.
- ⚙️ **Kids' Essay Contest:** Grades 2-5 are invited to submit a 50-word paragraph with a drawing, and grades 6-12 to write a 250-word essay about climate change and renewable energy. Prizes will be awarded and winning essays read on Sun Day. See olyclimate.org for details.
- ⚙️ Enjoy local music and renewable energy speakers (TBA).

Electric Lawn Mower

The clean energy revolution is here. Solar, wind and batteries are the cheapest form of power on the planet, lowering costs, creating new jobs, and strengthening our communities. The price for this clean energy has fallen 90 percent in the last decade... Bill McKibben, Sunday.earth

See olyclimate.org for more, and sunday.earth for details on the national event.
